

**PURSANT'S INVESTMENT BANKING PRACTICE IS PLEASED TO ANNOUNCE THAT
THE VONACHEN GROUP HAS ACQUIRED SPECIALTY SERVICES OF WISCONSIN INC.**

The Transaction:

In December 2016, Specialty Services of Wisconsin Inc. (“SSWI”) was acquired by Vonachen Group (“Vonachen”). Pursant, LLC acted as the sole Merger & Acquisition Advisor to Vonachen and Quinn, Johnston, Henderson, Pretorius & Cerulo served as legal counsel to VSI.

Our Client:

Established in 1968, Vonachen has grown to be one of the largest privately owned janitorial service companies in the Midwest and Southern US, with more than 1700 employees across hundreds of locations. Based in Peoria, Illinois, Vonachen executes building maintenance services including janitorial, office support, factory support, recycling programs, stone restoration and maintenance and other related building services. Vonachen customers are organizations with commercial, health care, industrial and education facilities.

About Specialty Services of Wisconsin:

Founded in 2002 by Pat Barry, Specialty Services of Wisconsin Inc. is a leading provider of janitorial, window cleaning, floor care and handyman services to commercial facilities in the Madison, Wisconsin metropolitan area. Professionalism, fairness, honesty and responsiveness to client needs define the SSWI way of doing business.

How Pursant Helped:

As Vonachen’s Acquisition Strategy Management partner, Pursant took ownership of the full acquisition cycle, freeing Vonachen’s senior team to focus on day to day operational matters. Pursant worked with Vonachen to clearly define acquisition criteria; developed and qualified a pool of potential Sellers; articulated the Vonachen story to educate and garner interest from parties and qualified them for cultural and transactional alignment. SSWI rose to the top as an excellent fit. We went on to manage the transaction process including structuring deal terms, due diligence coordination and more.

Accolades:

Mark Herbick, CEO, Pursant, LLC

“Since first speaking with SSWI several years ago, our team has held a strong belief that the chemistry with our client, Vonachen, would be special. The companies have an ethic and competitive advantage in common: a high touch approach to servicing clients and caring for employees. This made it far easier to move forward with an acquisition.
